

Walking Together

OCTOBER 17, 2016 PEDESTRIAN SUMMIT – WALKING TOGETHER

The Pedestrian Summit is an opportunity for design, health, and safety, officials and advocates to share experiences, opportunities and successes in improving pedestrian experience in our communities. The Summit is designed to foster discussion and interaction between presenters and participants on a variety of topics, including the state's Pedestrian Safety Action Plan, Student Neighborhood Access Program, safety education programs, engineering, design, health, and enforcement opportunities, among others. Together, we can make the road we share safe for everyone.
